Motown Museum's National Legacy Council Members Sean and Myra Anderson are hosting a fundraiser to benefit the Motown Museum Expansion as part of Big Sean's D.O.N. (Detroit's On Now) Weekend.

Embodied with the spirit of Detroit, the Motown Museum is fortifying its legacy and the future of the museum with the launch of a \$50 million capital campaign, expanding on the rich history of Motown. This project will transform the historic site into a 50,000-square-foot, world-class entertainment, education and tourist destination.

Guests will enjoy an exclusive, once-in-a-lifetime experience at the historic Hitsville, U.S.A. where they will have the opportunity to mingle with Big Sean and Motown Alumni while enjoying delicious food and beverages. Attendees can stroll the Museum, visit the Gallery and peek into Studio A where there will be a live Jam Session. All guests will receive a private, one-on-one photo with Big Sean and attending Motown alumni. Event sponsors will receive additional benefits and recognition.
